County Treasury

Part A: Vision

To be a department of excellence in economic and financial management

Part B: Mission

To pursue prudent economic and fiscal policies and effectively coordinate county financial operations for rapid and sustainable development

Part C: Performance Overview and Background for Programme(s) Funding

Finance and Economic Planning in the County is responsible for Accounting; Revenues; Audit; Procurement; Economic Planning & Budgeting. One of the key objectives is to ensure that services are provided in an efficient and effective manner to all the departments and residents of the county and to ensure that resources are well allocated and utilized.

The County Treasury is critical in creating and facilitating sustainable development to allow the coordination of County financial affairs. The Treasury is responsible for the distribution of funds to various sectors and programmes. The Treasury ensures compliance of various conditions set to allow the access of funds from the National Treasury. The mobilization of revenue from local sources is a key responsibility of the department. The department ensures that the funds are distributed in order of priority.

During the financial year 2022/2023, the County Treasury was allocated a development budget estimate of Ksh.640.3M. The recurrent budget on the other hand was Ksh.459.4M.

During the period the department achieved the following:

In compliance to mandatory county planning and PFM documents the department produced:

- Annual development Plan (ADP) 2022/23
- CFSP 2022/23
- CBROP 2022
- PBB 2022/23
- Annual Progress Report (APR) 2022/23
- Finance Act among

The budget absorption rate improved from an average of 70% to 92% Audit committee was established and operationalized with audit queries reducing by 30%, Automation of revenue system were also supported access to procurement opportunity to the youths, women and PWLD amounting to 342M. The procurement percentage for youth, women and PLWDs surpassed the target by 2.32%. During the financial year 2023/24, the department intends to continue with all the previous programme to ensure efficiency of services and value for money in all the projects and programmes

For the successful implementation of Budget 2023/24 and for future Budgets, the County Treasury shall continue conducting public participation exercise in the budget process and ensure that at the very minimum, all the documents as required by the PFM law, are published and publicized in a timely manner.

County Public Service Board

Part A. Vision

A leading county department in coordination, supervision and prudent human resource management

Part B. Mission

To formulate and implement policies, programmes and activities that form the best human resource practices towards a lean, productive and highly motivated Public Service

Part C. Performance Overview and Background for Programme(s) Funding

The County Public Service Board is responsible for ensuring uniformity of norms and standards for establishing and abolishing offices in the County Public Service; appointing persons to hold or act in those offices and confirming appointments. The Board is also responsible for exercising disciplinary control over and removing persons holding or acting in those offices. In addition, it oversees the implementation of policies on human resource management and development; and promotion of labour relations in the County Public Service.

During the FY 2022/23 the public service board received allocation of Ksh. 100,868,568. The board achieved some of the following: Provided technical assistance to County Human Resources Advisory Committee on Human Resource matters, Policy of Decentralization of Human Resource Management in the public service to facilitate effective discharge of the delegated powers and functions. The board also conducted job evaluation as well as organograms for all the departments among others.

Education, Skills Development, Youth and Sports

Part A. Vision

To provide competitive and transformative quality education in the county, be a leader in nurturing and empowering youths and sports.

Part B. Mission

To provide, promote and coordinate quality education and training to maximize full potential of the youths and sports persons through participatory engagement that serves their needs and aspirations in building Marsabit County.

Part C. Performance Overview and Background for Programme(s) Funding

The Department consists of four sections namely; Education, Skills development (youth polytechnics), Youth and Sports. In the FY 2022/23 the Department was funded to a tune of Kshs: 444,372,828 which Kshs. 385.7M were recurrent expenditure and Kshs. 726.6 development expenditure.

The department successfully implemented the following programmes:

- Constructed 196 ECDE classrooms, 154 double door pit latrines and 21 kitchens/stores.
- Supplied 125 ECDE Centres with furniture and 118 ECDE Centres with teaching/learning materials.
- Installed 20 plastic water tanks, connected 4 ECDE Centres with Solar and Fenced 19 ECDE/primary schools
- Disbursed bursary/scholarship funds to 4,499 needy students.
- Fed over 51,880 ECDE pupils with CSB+ porridge in all public ECDs.
- Erection and completion of two administration blocks, fifteen workshops, five dormitories, eleven double door pit latrines, fencing and gating of four VTCs.
- Procurement and supplies of assorted tools and equipment, training materials, boarding items, water tanks and solar installations to 6 VTCs.
- Supported VTCs 150 graduates with startup kits through other partners (IOM, REGAL, ALKHAIR)
- Construction of Marsabit main stadium Pavilion (ongoing) and Upgraded 17 ward soccer and volleyball pitches
- Piloted league in 2021-22 and officially launched leagues for all sub counties in 2022-23 and Supported teams with basic sporting items
- Participated in all 5 editions of Kenya Youth Inter County Games (Laikipia, Kwale, Siaya, Makueni & Nandi)
- Trained 150 Volleyball and Soccer officials in both refereeing and coaching
- Trained 472 youth on Basic Computer skills
- Sensitized 1000 youth on emerging issues (FGM, drugs & Substances, early Pregnancies & marriages, life skills among others)
- Planted 3000 trees in Kofia Mbaya, Kubi Dibayu and Hula Hula and engaged the youth to nature them
- Supported several youth programs across the county among them:
 - 10,000ltrs water tank, pipes and assorted irrigation equipment for Dirib Gobo Concrete Youth Group for Drip irrigation
 - 10,000ltrs water tank for Dambala Fachana Kukub for sell of water

- 10,000ltrs water tank for Manyatta in Moyale for sell of water

In the FY 2023/24 the Department intends to continue with infrastructural development and modernizing the procedures and processes in all the institutions.

Part D: Programme Objectives/Overall Outcome

COUNTY HEALTH SERVICES

Part A. Vision

High quality, responsive Health Care System

Part B. Mission

To build, promote and participate in provision of integrated, accessible, acceptable, affordable, efficient and high quality Health Care services to Marsabit County population.

Part C. Performance Overview and Background for Program(s) Funding

The county health Program based budget (PBB) is part of the ongoing reform processes meant to deepen implementation of devolution as stipulated in the County Government Act, 2012. The development of this Budget has been guided by key health sector policy documents namely: Constitution of Kenya, 2010 and other devolution related legislative frameworks (County Government Act, Public Finance Management Act, 2012, Intergovernmental Relations Act, 2012), Kenya Health Policy, 2013-2030, Kenya Health Sector Strategic Plan 2013-2017, Vision2030, Medium Term Plan (MTPII) 2013-2017 and Marsabit County Integrated Development Plan. Community participation was considered in coming up with this budget and the County Health Sector Strategic and Investment Plan which provides a common framework meant to guide health sector investment and development for the next five years.

During the FY 2022/23 the department has the budget allocation of Ksh. 1,854,743,150 of which Ksh 1,445,958,943 was recurrent and Ksh 408,784,157 development respectively.

The following was some of the achievements:

- Proportion of pregnant mothers delivered skilled attendants has improved from 29.2% to Proportion children under one year fully Immunized has improved from 65% to 82.8%
- Number of clients tested for HIV has increased from 45903 to 61657
- Number of health facilities has increased from 76 to 108
- Number of Referrals has increased from 104/year to 519/year
- Number of Community units has increased from 23 to 73
- Skilled Human Resource numbers has increased from 354 to 1396
- Increased outpatient utilization from 44% to 123%

Strategic objectives

In this budget the six strategic objectives have been defined to reflect the type of health outcomes that is envisaged after investment and deployment of various health inputs. They are:

- To eliminate communicable conditions.
- To halt and reverse the rising burden of non-communicable conditions
- To reduce the burden of violence and injuries

- To minimize exposure to health risk factors
- Provide essential curative health services
- To strengthen collaboration with health related sectors

Priority Investment areas

To be able to achieve the strategic objectives the Department will focus on priority investment areas:

- *Human resources for health.* The county will develop policies and systems to support attraction and retention of health workforce
 - *Essential Health products and technologies.* The multiple approaches to procurement, distribution and storage of EHPTs significantly reduce the values in the economies of scale. The county will ensure coordinated EHPTs logistical management.
 - *Health service provisions.* During the budget period the Department will ensure access to quality health services due to coordinated approach to investments
 - *Health information management systems.* The current inadequate and poor quality information is a hindrance to prompt and informed decision.
 - *Leadership and governance.* A coordinated approach to health care delivery by all stakeholders is critical for maximum delivery of health services. Structures and mechanisms for joint planning, implementation and review will be prioritized and capacity gaps addressed.
 - *Partnerships.* Structured partnership amongst health sector players is prerequisite for effective health delivery. During the budget period the potential of private sector to delivery public health services will be explored under various modes of public private partnerships. In addition, the Department will put efforts to strengthen intergovernmental consultative mechanisms to enhance synergy.
-

Part D: Program Objectives/Overall Outcome

Program	Objective
P1 : General Administration, Planning and Support Services	To improve service delivery and provide supportive function to Sections /sub-departments of health.
P2: Preventive & Promotive Health Services	To reduce incidence of Preventable Diseases and ill Health.
P3: Curative and rehabilitative Health Services	To improve health status of the individual, family and community level by ensuring affordable health care services.
P4: Maternal and Child Health	Reduced maternal and child mortality rates.

Administration, Coordination and ICT

Part A. Vision

To be a leading Coordinating Department for Public Administration, citizen participation and ICT for effective service delivery and implementation of Devolution

Part B. Mission

To provide effective and efficient leadership in Public Administration, citizen participation and ICT through co-ordination of County Government departments and other stakeholders in delivery of services.

Part C. Performance Overview and Background for Programme(s) Funding

The Department of Public Administration, ICT and Disaster Management has four directorates namely Public Administration, ICT, Public Participation & Civic Education and Cohesion and Disaster Management.

The main role of this Department is general public administration & coordination of the devolved functions, provision of ICT services, conflict management and public participation. This Department is vital in ensuring the success of the devolution process. During the FY 2022/23 the department got allocation of Ksh 565.9 M of which Ksh 250 M was development and Ksh 315.9 M was recurrent

The Department has made the following milestones: -

- Staff medical scheme was established to cover County Staff and their families through NHIF card.
- Establishment of the inter faith team to mediate peace efforts in the county. Thus, improvement of Peace and coexistence through community peace dialogue and mediation fora.
- Establishment of the Convener's desk where we receive and document public concerns and feedback on service delivery from the public on SMS TOLL FREE NUMBER: 21662
- Public Participation exercises were conducted at the various devolved units during the preparation of budgets. Key personnel that facilitated this exercise were the Sub County and the Ward Administrators in collaboration with members of other departments.
- The Civic education and Public participation policy developed and launched.
- ICT flagship project (Metro Fibre) involving connection of all county offices through LAN and WAN is complete and operational through subscription to National Optical Fiber Backbone Infrastructure (NOFBI). This has saved the County millions of shillings paid for commercial internet service providers. Subsequent roll out to Sub Counties will be done soon.
- Rebranding of the County Government of Marsabit Website has been finalized and has incorporated social media platforms for citizen participation. It is a rich source of information regarding the county and activities of all county departments on real time basis.

Energy, Lands and Urban Development

Part A. Vision

To be the leading public organization committed to facilitating optimum utilization of the administration and management of land resource within the county.

Part B. Mission

Provide efficient and effective leadership in land management and administration for sustainable socio-economic of the county.

Part C. Performance Overview and Background for Programme(s) Funding

- The department is composed of four sub-sections which include: Energy, Land, and Urban Development. All the four sub-sections are in place and fully operational. In the year 2022/23, the department was allocated Ksh. 253.8 M of which ksh. 158.6 M was for recurrent and Kshs 95.2 M for development. During this period the department made key strides which includes:
- Issuance of title deeds for Jirime and Songa/Kituruni registration sections totaling to 2461 title deeds
- The following urban centers have been planned and awaiting approval from the county assembly: Laisamis, Gurumesa, Dukana, Korr, Manyatta, Butiye, North Horr, Turbi, Logo logo, Maikona, Loiyangalani, Kargi, Kalacha and Sololo. Lami, Sessi, Upper Technical, Sololo makutano, Dambala fachana, Merille and Manyatta Otte.
- Installation of solar street lighting in deterrence of urban crime and improve business environment as well as promotion of renewable energy technologies
- A number of efforts have been made and continue to be realized to attracting investors in partnership with GIZ, Ministry of Energy & REA, especially in the areas of Renewable Energy mini grids set-up in the areas of Sololo, Amballo, Balesa, Illaut, Hurri Hills, Korr, Ngurunit, Dukana and Illeret.
- Efficient solid waste management in urban and trading centers for public safety and sanitations
- Establishment of municipality to improve on accessibility of essential urban services for urban population

Part D: Programme Objectives/Overall Outcome

Programme	Objective
P1 : General Administration, Planning and Support Services	To improve service delivery and provide supportive functions.
P2: Urban Development Services	Ensure sustainable urban development.
P3: Lands and Physical Planning services	Improved controls on land use and development as well as effectively designed land use pattern.
P4: Energy Services	Increased access to renewable and sustainable energy.

Roads, Public Work, Transport & Housing Development

Part A. Vision

A leading Department committed to provision of prompt, effective and efficient technical services in all public works and construct adequate quality safe County road network.

Part B. Mission

To provide technical support for all public works, construct and manage County roads that enhance safe socio-economic growth and prosperity.

Part C. Performance Overview and Background for Programme(s) Funding

The Department of Roads, Public works and Transport is mandated to provide technical support for all public works, manage, develop, rehabilitate and maintain County roads to enhance socio-economic growth and prosperity.

The Department of Roads, Transport and Public Works consist of three main sectors:-

- **Roads** sector is mandated to design, construct new roads ,maintain both rural and urban roads network and protect county roads reserves
- **Transport** sector is mandated to conducting suitability test for drivers, inspection of motor vehicles and hire of mechanical plants and equipment
- **Public Works** is mandated with the designing, documentation and supervision of all Government construction works including keeping and maintaining their inventories.

In the year 2022/23, the Department was allocated a total of Kshs. 239.3 M comprising of Kshs 114.1 for recurrent and Kshs 125.1 for development.

During the last financial the sectors have Upgraded of 4.3km to bitumen standards, 1.1 km tarmac already completed on alignment B which has majorly improved the storm drainage, improved access to market, Social centers and C.B.D thus enhancing the economic growth. Grading of 343.6 km of roads completed, opening up rural roads thus reducing transport, Maintenance cost, travel time, improved security and improved accessibility to Market centres, Health-centres, social-centres, administrative posts, Farm-lands, Grazing zones and Water-Points.

The roads and transport sector have graveled of 131 km of roads is now complete - improving the dilapidated road conditions caused by bad weather condition such flash floods. Through proper gravelling, roads are now passable, have better motor able conditions, Soil erosion and drainage has also been improved thus ensuring good service levels all year round enhancing economic growth through improved connectivity.

Moreover, the sector have Opened up of 92 km of new roads completed linking pastoral communities to grazing areas and water points improving their livelihood. Construction of 1no. Footbridge completed enabling the community especially the school going children access the schools during heavy rainy season. Construction of 1495 meters of Slab & Drift completed thus improving the drainage and accessibility during bad weather conditions.

Also, during the last year, the department has also serviced several machineries-i.e. Wheel loader, prime-mover, Motor grader and 3 no. Dump trucks, this will enable the department to collect revenue through hire of machineries; also the fleet will enable the department to address emergency issues promptly by conducting emergency road maintenance work mainly resulted by bad weather condition such as heavy rainfall. Job on Training for 40 no. Youth in Saku and Moyale Sub County impacting knowledge on Emergency road maintenance actions and also creating employment in roads project activity. The department has also renovated pool office

block, fully equipped with computers improving the staffs' working environment.

The public works and housing development sector had also Designed and Documented. Also, roads tender document for the current FY 2022-23 Development projects and have been submitted to Procurement office for further action.

The improved road network in the county has led to many advantages which include; enhancing the communities' ability to travel across the county, improved the economic status of community, eased the movement of students especially those who are in secondary schools, reduced car breakdowns which were caused by poor roads and it has also reduced distance of transportation through opening up of new roads.

Part D: Programme Objectives/Overall Outcome

Programme	Objective
P1 : General Administration, Planning and Support Services	To support and increase efficiency in service delivery.
P2: Road Transport Infrastructure Development	To develop, maintain and rehabilitate roads network, transport facilities and government buildings to enhance security, mobility, efficiency and safety through firefighting and fire prevention.
P3: Public Works Services	To develop and maintain cost effective public civil works.
P4: Low Cost Housing Development	To provide low cost housing.

Part E: Summary of the Programme Outputs and Performance Indicators for FY 2022/23 – 2025/26

Name of Programme: General Administration, Planning and Support Services

Outcome: Increased efficiency in Service Delivery.

Water, Environment and Natural Resources

Part A. Vision

To promote, conserve and protect the environment and improve access to water and housing for sustainable county development.

Part B: Vision

Sustainable access to adequate water and housing in a clean, cohesive and secure environment

Part C: Strategic Objectives

- To enhance access, affordable clean, potable water, sustainable usage and management of environment and natural resources
- To ensure the universal and efficient supply of water and environmental services and facilitated equitable and socio economic development
- To mainstream environmental, climate and mineral concerns into overall planning, implementation and monitoring of County government and partners, so as to reduce environmental degradation and strengthen the role of environment and natural resources in reducing poverty;
- To raise real awareness of the importance of environmental matters within County; stressing social and economic importance as well as ecological consequences. Key issues for inclusion include monitoring, mitigation and adaptation to Climate Change, Water resources development and management, Sustainable Land Management, tap on Carbon markets through carbon trading
- To generate, disseminate and use knowledge and information for the better conservation and management of environment and natural resources
- To ensure all County development activities are environmental friendly by complying with environmental laws and regulation as stipulated in the Kenyan Constitution.

Context for Budget Intervention

Expenditure trends;

In the financial year 2022/23 the department of water environment and natural resources budget was ksh 449.8 M of which Ksh. 154 M was recurrent whereas Ksh 295.8 M was development.

During the period the department achieved the following:

- 10 earth pans excavated
- 12 boreholes drilled and equipped
- 21 boreholes installed with solar panels
- 735 plastic tanks procured and supplied
- 10 masonry/underground tanks constructed
- Planting of 3,000 trees seedlings
- Completion of Marsabit Climate Change Mitigation Action Plan
-

In order to adequately improve water service delivery and reduce environmental degradation, there is need to consider more budgetary allocation to the department to effectively carry out its mandate in provision of quality water to the citizens of Marsabit County and to ensure sustainable environment and natural resource management for the current and future generation. Shortage of water availability and environmental destruction and degradation is further aggravated by negative climate change effects that pose a big challenge to mitigate. While a good proportion of the devolved fund to the county had been allocated to water and environment department, water emergencies are still a daily occurrence. The multi million projects been implemented from start of devolution in 2013 to date are still but a tip of an iceberg. The sparsely distributed human and livestock settlement patterns coupled with poor accessibility, frequent, severe and recurring drought patterns and vastness of the county reduces the water budgetary allocation to piecemeal hence negligible positive impact. The inadequate staffing and human resource capacity over stretches the available skills and expertise at times making project supervision, monitoring and crisis response a challenge. Delayed promotion and staff stagnation in the various cadres reduces staff motivation and performance. Increased environmental conservation awareness by encouraging citizen to apply FNRM (Farmer Managed Natural Resource Management) approach hence reduction in tree cutting activities The vast Marsabit County has lagged behind for decades in terms of development and access to basic services including water services. The water requirement and undaunting scarcity of the precious commodity remains still unmet even with birth of devolution. The vagaries of drought and its associated

1.2 Part D: Programme Objectives/Overall Outcome

Programme	Objective
P1 : General Administration, Planning and Support Services	To improve service delivery and provide supportive functions.
P2: Water Resources Management	To increase access and availability of adequate water resources.
P3: Environment Management and Protection	To protect, conserve and sustainably manage environment.
P4: Natural Resources Conservation and Management.	To sustainably manage and conserve forest and wildlife resources.

Trade, Industry and Enterprise Development

Part A: Vision

To be the leader in promoting business innovation and value addition for wealth creation in the country

Part B: Mission

To create a vibrant and conducive environment for enterprise development and social-economic growth for the people of Marsabit

Part C: Performance Overview and Background for Programme(S) Funding

The department has various roles and mandates including

- ✓ to promote both local and international Tourism and make Marsabit a destination of choice,
- ✓ to formulate legislative and regulatory framework to facilitate quality service delivery, Market infrastructure development
- ✓ to promote Human resource development – Training & Incentives
- ✓ to nurture Entrepreneurship development – Youth, Women, partnership, Business competition
- ✓ to mobilization resources from the following key institutions; Youth enterprise Fund, Women enterprise Fund, UWEZO fund, Banks etc
- ✓ to establish County Stimulus Fund
- ✓ to register Livestock Market Unions
- ✓ to establish Global and National linkages
- ✓ to enhance Industrialization – Abattoir, Minerals, Education, Tannery
- ✓ to encourage Public Private Partnership –Inter County Trade, International trade and Capacity building

One other key objective is to ensure that services are provided in an efficient and effective manner to all the departments and residents of the county and to ensure that resources are well allocated and utilized.

The department operates on three strategic goals, to develop and promote sustainable Trade, Industry & to develop, promote commerce and enterprise development for prosperous and to enhanced social economic progress, hence improved livelihoods.

The department was allocated Kshs 91.8 M of which Ksh 9 M was Development and Ksh 82.8 was recurrent expenditure.

During the period the department achieved some of the following:

- Inspection of pre-packed goods conducted
- Improved consumer protection through standards for Weighing and measures equipment's to be verified
- SME's trained on entrepreneurship
- Improved access to credit facilities for micro and small-scale enterprises
- Cross-border trade associations be formed along Kenya- Ethiopia border
- Exhibited cooperative value-added products and handicrafts at the Kigali international Exhibition in Kigali –Khandeere Farmers' cooperative;
- Construction of Marsabit modern market through the Flagship priority projects;(70% completed)
Registered and trained twelve viable cooperatives

Part D: Programme Objectives/Overall Outcome

Programme	Objective
P1: General administration and financial support services	To support the delivery of efficient service in the department
P2: Trade and Industrial development	To improve trade and stimulate industrial development
P3: Enterprise development	To promote and provide support to SMEs and jua kalis
P4: Co-operative development & Management	To promote co-operative development

Tourism, Culture and Social Services

Part A. Vision

A cohesive, Integrative and socially responsive sector that taps on its Tourism potential for socio-economic development

Part B. Mission

To formulate, mainstream and implement responsive strategies for sustainable socio-cultural and Tourism for socio-economic development

Part C. Performance Overview and Background for Programme(s) Funding

The department has various roles and mandates including

- ✓ to harness the full potential of County's cultural heritage,
- ✓ to promote, preserve and develop all functional aspects of culture for sustainable development,
- ✓ to formulate legislative and regulatory framework to facilitate quality service delivery,
- ✓ Provision of social protection funds to vulnerable people,
- ✓ to promote gender equality through gender mainstreaming as well as
- ✓ Advocacy for Art and Art facts.

One other key objective is to ensure that services are provided in an efficient and effective manner to all the departments and residents of the county and to ensure that resources are well allocated and utilized.

The department operates on two strategic goals, promote and preserve the County's culture and heritage for posterity and to enhance quality social service delivery for improved livelihoods.

During the FY 2022/23, the department was allocated Ksh. 111.1. This amount includes Ksh. 91.1 being recurrent expenditure and Ksh.20 M being development expenditure

During the period the department achieved the following:

- Ushanga initiative rolled out
- Repairs and additional facilities at Bongole resort.
- participated in KNATCOM for UNESCO National cultural celebration 2018 in Kisumu
- Gazettement of six sacred sites documented in 2016
- Documentation of ten sacred sites and three heritage sites.
- Organized MLTCF 2018
- Supported Kalacha Cultural Festival
- Clearing and fencing of Waye Dida cultural center
- Beautification and tree planting at Sololo Handicraft center.
- International exposure for Cultural groups (Haryana Festival in India)
- Construction of shades at Gadhamoji cultural center
- Public participation on Culture and Heritage bill conducted.

- Construction of six social Halls (Kamboe, Nana, Mansille, Sessi, Balessa & Manyatta Jillo)
- Equipping/ Solar installation of 4 social Halls (Kinissa, Dukana, Nana, Balessa)

- Fencing of two social Halls & Children’s home (Kinissa Hall & Obbitu Children’s home)
- Construction of three baraza parks (El Hadi, Tigo and Burgabo)
- Renovation of 1 social Hall (Butiye)
- Registration of PWDs
- Provision of assistive devices
- Provision of food items to children homes
- Support in organizing International disability Day
- Participated in NONDO wheel chair race
 - Participated in gender activism forum
 - Participated in International Women’s Day
 - Support to Girls ‘camp initiative.
 - Partnered with Concern Worldwide on public participation on environment resource management policy
- Construction of Rescue center at Logologo
