1: INTRODUCTION

The Drought Resilience Programme in Northern Kenya (DRPNK) is a 6-year programme implemented in Marsabit and Turkana counties and partly funded by German Development Bank (KfW). The objective of the project is to strengthen the resilience of pastoral and agro-pastoral livelihoods in the target areas through investment in infrastructure.

The programme is jointly funded by the Government of Kenya, The County Governments of Turkana and Marsabit and the Federal Republic of Germany through German Development Bank (KfW).

As one of the Project Executing Agencies (PEA), The County Government of Marsabit plans to construct a range of infrastructure as set out in the first Annual Investment Plan (AIP-1).

The County Government of Marsabit invites Expressions of Interests (EoIs) from eligible firms to offer consultancy services.

2: NOTICE FOR REQUEST OF INTEREST FOR CONSULTANCY SERVICES

NAME OF PROCURING ENTITY: COUNTY GOVERNMENT OF MARSABIT

BMZ-No.: **201365360**

Assignment or Contract Title:

Expression of interest for consultancy services for watershed assessments, feasibility study, detailed design, preparation of tender documents and supervision of construction works for the proposed water pans, sand dams, rock catchment, shallow wells and spring intake in Marsabit County.

Reference No. MBT/COU/AGRI/DRPNK/02/2023-2024.

The County Government of Marsabit intends to shortlist consultants to provide consulting services through an Expression of interest for consultancy services for watershed assessments, feasibility study, detailed design, preparation of tender documents and supervision of construction works for the proposed water pans, sand dams, rock catchment, shallow wells and spring intake in Marsabit County which shall contain three (3) studies as described in the Table below;

No	Description of the Studies
1	Feasibility Study, Detailed Design, Preparation of Works Tender Documents and supervision of construction works for; (a) The proposed Water pans at Ambalo & Bori, and Feasibility Study for flood-based irrigation in Bori Junction in Moyale Sub-County. (b) Proposed Watershed assessment at Laga Balal in North Horr Sub-County, Malgis River in Laisamis Sub-County, and Bori Mountain in Moyale Sub-County.
2	Feasibility study, Detailed designs, Preparation of Works Tender Documents and supervision of construction works for; (a) The proposed Water pans at Nana in Moyale Sub-County, Kubi Adhi in North Horr Sub-County, Luai Gatab & Dakhane in Laisamis Sub-County, and Karare in Saku Sub-County. (b) The proposed Sand dams at Balesa in North Horr Sub-County and Nairibi & Illaut in Laisamis Sub-County. (c) The proposed Rehabilitation and equipping of Shallow wells at Balesa in North Horr Sub-County.
3	Feasibility study, Detailed designs, Preparation of Works Tender Documents and supervision of construction works for; (a) The proposed Rock catchment at Sarai in Laisamis Sub-County. (b) The proposed spring intake protection and storage rehabilitation at Gatab in Laisamis Sub-County. (c) The proposed rehabilitation of Jillo Tona pan in Saku Sub-County.

Interested consultants may obtain further information / queries before 1000hrs on 24th August 2023.

Expressions of interest must be deposited in the tender box in **hard copy** situated at

the address below on or before Thursday 24th August, 2023 at 1000 Hours.

[Consultancy services for watershed assessments, feasibility study, detailed design, preparation of tender documents and supervision of construction works for the proposed water pans, sand dams, rock catchment, shallow wells and spring intake in Marsabit County.]

3: INSTRUCTION TO BIDDERS

1. The County Government of Marsabit now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria on required qualifications and experience of the firm are:
 - i. Experience in the assignment, including technical and managerial capability of the firm;
 - ii. Number of years in business working on the area of the assignment;
 - iii. Reference to at least three assignments of similar nature and size carried out in the last 5 years. Include persons or institutions and contact addresses (phone, email) who can be contacted on the same.
2. The attention of interested Consultants is drawn to the following provisions that will be highlighted in the Request for Proposals to be issued to shortlisted firms.
 - i. The Consultant will be expected to have no conflict of interest with other assignments or its own corporate interests and acting without any consideration for future work;
 - ii. The consultant has no personal or business relationship with the Procuring Entity's senior management or professional staff;
 - iii. A firm or an individual in the firm has not been sanctioned by the Public Procurement Regulatory Authority (PPRA) or are under a suspension or a debarment imposed by any other entity of the Government of Kenya, or any international organization;
 - iv. Government-owned enterprises or institutions of Kenya Government, officials and civil servants and employees of public institutions are not eligible.
3. Consultants **shall not** associate with other firms to enhance their qualifications, in the form of a joint venture and/or a sub-consultancy.
4. Selection of the consultant will be based on Quality and Cost Based Selection method using the Tender Procedure National Competitive Bidding as provided for in the Public Procurement and Asset Disposal Act 2015 (PP&DA). The evaluation committee shall be appointed by the accounting officer according to section 46(1) of PP&DA 2015.
5. Bidders shall be required to provide all documents outlined in both the eligibility and qualification criteria, and the technical evaluation criteria. In addition, bidders fill out and submit all forms provided in this document i.e. PQ1 – PQ9
6. The bidders must submit an **original** and **two additional copies**. All pages must be serialized in this form: 1 of x, 2 of x ... (x being the total number of pages in the document).
7. The bidders may request clarifications of the documents only up to three (3) days before the submission date deadline to the below address. The Employer shall promptly publish its response to the EoI at the websites www.tenders.go.ke and www.marsabit.go.ke

		accordance with the format provided in PQ2		
5	<p>Consultant's experience in Water Engineering Related field (Max score = 15%; Minimum score = 7.5%)</p> <p>Applications below the Minimum score will be rejected</p>	<p>Curriculum Vitae in Water Engineering Related field (Calculated from No. of assignments undertaken by the specialist.)</p> <p>This sub-criterion is evaluated on the basis of the list submitted in accordance with the format provided in PQ2</p>	<p>1-3 - 7.5%</p> <p>4-5 - 10%</p> <p>>5 - 15%</p>	
	TOTAL SCORE (Out of 100)			

Score of at least 70% must be met to secure prequalification.

A maximum of ten (10) firms will be invited to submit a Technical and Financial Proposals for the studies as described in this Expression of Interest.

APPENDICES

■ PQ1 – PREQUALIFICATION DATA FORM

1.Name and address of firm	
	Legal name of firm
	Post office address
	Street and address
	City
	Country
	Mobile No
	Email address
	Person to contact
	Title
2. Organization & Business Information	
	Management personnel
	Director
	General Manager
	Other
	Partnership if applicable
	Name of partners
	Business founded or incorporated
	Under present management since
	Net worth equivalent (KES)

Enclose copy of the organization chart of the firm indicating the main fields of activities.

■ PQ2 – KEY PERSONNEL FORM

KEY PERSONNEL

1. Access to Expertise Required for the Assignment

Complete the list below to demonstrate the extent to which you have access (internally / externally) to expertise required for this assignment / for the project team profiles. Include home-office project management / administration and backs-stopping personnel. Include freelance personnel and Sub-Consultant staff, if applicable). The Applicant shall not present a potential project team. The focus is on access and availability to project relevant expertise. It is understood that prequalified Applicants are not required to include staff named below into the Proposal.

Name	Project team profile / areas of required expertise	Education/ Degree	Years of Professional Experience	Role in the firm/ Years within the Firm	Country/Regional Experience	Relevant Project References (Description of project-related experience)	Languages

■ PQ3 – FINANCIAL POSITION FORM

Attach copies of Firm's certified and Audited financial statements for the last three years

Financial data	2 years before last year¹ 2020 KES	Year before last year 2021 KES	Last year 2022 KES	Average² KES
Annual turnover ³				
Current assets ⁴				
Current liabilities ⁵				
Current ratio (current assets/current liabilities)				

If annual accounts are not yet available for the last year, please provide latest estimates or provisional figures. Figures in all columns must be calculated on the same basis to allow a direct, year-on-year comparison to be made (or, if the basis has changed, please provide an explanation of the change as a footnote to the table).

¹ Last year = last accounting year for which the entity's accounts have been closed.

² Amounts entered in the 'Average' column must be the mathematical average of the amounts entered in the three preceding columns of the same row.

³ The gross inflow of economic benefits (cash, receivables, other assets) generated from the ordinary operating activities of the enterprise (such as sales of goods, sales of Services, interest, royalties, and dividends) during the year.

⁴ A balance sheet account, that represents the value of all assets that are reasonably expected to be converted into cash within one year in the normal course of business. Current assets include cash, accounts receivable, inventory, marketable securities, prepaid expenses and other liquid assets that can be readily converted to cash.

⁵ A company's debts or obligations that are due within one year. Current liabilities appear on the company's balance sheet and include short term debt, accounts payable, accrued liabilities and other debts.

■ PQ4 – PAST EXPERIENCE FORM

Ref no:	Project title							
Name of legal entity (declaring Consultant)	Project Country	Overall project value (*)	Proportion carried out by the legal entity (%)*	Provided staff input (person months)	Name of client/Address/contact	Origin of funding	Dates (start/end)	Name of JV members, if any
...
Detailed description of project (background, objectives and main activities)						Services provided by the legal entity for the project		
...						...		

* If the overall project value refers to overall project cost inclusive of Consulting Services please indicate the consulting fee separately. The portion carried out by the legal entity refers to that figure.

NOTE: The projects/contracts/services/works shall all be within the last Five years, for at least 5 clients. This should be filled for each Client.

■ PQ5 – SWORN STATEMENT

Having studied the pre-qualification information for the above Project we/I hereby state:

- a. The information furnished in our application is accurate to the best of our knowledge.
- b. That in case of being pre-qualified we acknowledge that this grants us the right to participate in due time in the submission of a tender or quotation on the basis of provisions in the tender or quotation documents to follow.
- c. When the call for Tenders/Quotations is issued the legal technical or financial conditions or the contractual capacity of the firm changes we come ourselves to inform you and acknowledge your right to review the pre-qualification made.
- d. We enclose all the required documents and information required for the prequalification evaluation.
- e. The firm has not been debarred from participating in any public procurement by PPRA.
- f. No person related to the firm has any spouse or children working at the County Government of Marsabit.
- g. The firm has not been engaged in any unethical, corrupt, collusive or fraudulent activities in public procurement matters.
- h. The firm has not been declared bankrupt/insolvent/under receivership.

Consultants should provide information on any history litigation or arbitration resulting from contracts executed in the last five years or currently under execution.

Year	Award for or against	Name of client cause of Litigation and matter in dispute	Disputed Amount (current value, Kshs. Equivalent)

■ PQ9 – DECLARATION OF UNDERTAKING (KfW)

Reference name of the Application/Offer/Contract:

("Contract"⁶)

**To: COUNTY GOVERNMENT OF ("PROJECT EXECUTING AGENCY")
MARSABIT**

1. We recognise and accept that KfW only finances projects of the Project Executing Agency ("PEA")⁷ subject to its own conditions which are set out in the Funding Agreement it has entered into with the PEA. As a matter of consequence, no legal relationship exists between KfW and our company, our Joint Venture or our Subcontractors under the Contract. The PEA retains exclusive responsibility for the preparation and implementation of the Tender Process and the performance of the Contract.
2. We hereby certify that neither we nor any of our board members or legal representatives nor any other member of our Joint Venture including Subcontractors under the Contract are in any of the following situations:
 - 2.1) being bankrupt, wound up or ceasing our activities, having our activities administered by courts, having entered into receivership, reorganisation or being in any analogous situation;
 - 2.2) convicted by a final judgement or a final administrative decision or subject to financial sanctions by the United Nations, the European Union or Germany for involvement in a criminal organisation, money laundering, terrorist-related offences, child labour or trafficking in human beings; this criterion of exclusion is also applicable to legal Persons, whose majority of shares are held or factually controlled by natural or legal Persons which themselves are subject to such convictions or sanctions;
 - 2.3) having been convicted by a final court decision or a final administrative decision by a court, the European Union, national authorities in the Partner Country or in Germany for Sanctionable Practice in connection with a Tender Process or the performance of a Contract or for an irregularity affecting the EU's financial interests (*in the event of such a conviction, the Applicant or Bidder shall attach to this Declaration of Undertaking supporting information showing that this conviction is not relevant in the context of this Contract and that adequate compliance measures have been taken in reaction*);
 - 2.4) having been subject, within the past five years to a Contract termination fully settled against us for significant or persistent failure to comply with our contractual obligations during such Contract performance, unless this termination was

⁶ Capitalised terms used, but not otherwise defined in this Declaration of Undertaking have the meaning given to such term in KfW's "Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries".

⁷ The PEA means the purchaser, the employer, the client, as the case may be, for the procurement of Consulting Services, Works, Plant, Goods or Non-Consulting Services.

challenged and dispute resolution is still pending or has not confirmed a full settlement against us;

2.5) not having fulfilled applicable fiscal obligations regarding payments of taxes either in the country where we are constituted or the PEA's country;

2.6) being subject to an exclusion decision of the World Bank or any other multilateral development bank and being listed on the website <http://www.worldbank.org/debarr> or respectively on the relevant list of any other multilateral development bank (*in the event of such exclusion, the Applicant or Bidder shall attach to this Declaration of Undertaking supporting information showing that this exclusion is not relevant in the context of this Contract and that adequate compliance measures have been taken in reaction*); or

2.7) being guilty of misrepresentation in supplying the information required as a condition of participation in the Tender.

3. We hereby certify that neither we, nor any of the members of our Joint Venture or any of our Subcontractors under the Contract are in any of the following situations of conflict of interest:

3.1) being an Affiliate controlled by the PEA or a shareholder controlling the PEA, unless the stemming conflict of interest has been brought to the attention of KfW and resolved to its satisfaction;

3.2) having a business or family relationship with a PEA's staff involved in the Tender Process or the supervision of the resulting Contract, unless the stemming conflict of interest has been brought to the attention of KfW and resolved to its satisfaction;

3.3) being controlled by or controlling another Applicant or Bidder, or being under common control with another Applicant or Bidder, or receiving from or granting subsidies directly or indirectly to another Applicant or Bidder, having the same legal representative as another Applicant or Bidder, maintaining direct or indirect contacts with another Applicant or Bidder which allows us to have or give access to information contained in the respective Applications or Offers, influencing them or influencing decisions of the PEA;

3.4) being engaged in a Consulting Services activity, which, by its nature, may be in conflict with the assignments that we would carry out for the PEA;

3.5) in the case of procurement of Works, Plant or Goods:

i. having prepared or having been associated with a Person who prepared specifications, drawings, calculations and other documentation to be used in the Tender Process of this Contract;

ii. having been recruited (or being proposed to be recruited) ourselves or any of our Affiliates, to carry out works supervision or inspection for this Contract;

4. If we are a state-owned entity, and compete in a Tender Process, we certify that we have legal and financial autonomy and that we operate under commercial laws and regulations.

5. We undertake to bring to the attention of the PEA, which will inform KfW, any change in situation with regard to points 2 to 4 here above.

6. In the context of the Tender Process and performance of the corresponding Contract:

6.1) neither we nor any of the members of our Joint Venture nor any of our Subcontractors under the Contract have engaged or will engage in any Sanctionable Practice during the Tender Process and in the case of being awarded a Contract will engage in any Sanctionable Practice during the performance of the Contract;

6.2) neither we nor any of the members of our Joint Venture or any of our Subcontractors under the Contract shall acquire or supply any equipment nor operate in any sectors under an embargo of the United Nations, the European Union or Germany; and

6.3) we commit ourselves to complying with and ensuring that our Subcontractors and major suppliers under the Contract comply with KfW's Sustainability Guideline and with the Guidelines on Incorporating Human Rights Standards and Principles, Including Gender, in Programme Proposals for Bilateral German Technical and Financial Cooperation (Federal Ministry for Economic Cooperation and Development). KfW's Sustainability Guideline requires that all applicable national environmental, occupational health & safety and social laws and regulations as well as international law including conventions and treaties adopted by the host country (Tanzania) and applicable to the Project must be respected.

In addition to national legislation, projects financed by KfW must comply with the requirements of

- World Bank Environmental and Social Safeguard Standards/ESS 1- ESS 10
- ILO Core Labor Standards⁸
- IFC/WB General EHS Guidelines and Industry Sector specific EHS Guidelines as appropriate

In addition, the UN Basic Principles and Guidelines on Development Based Displacement and Evictions (namely §§ 41, 49, 52, 54 und § 60) (FAO 2012) known as the VGGT1 have to be respected.

In case there are gaps between national and international requirements, the respective higher standard has to be applied.

Moreover, we shall implement environmental and social risks mitigation measures when specified in the relevant environmental and social management plans or other similar documents provided by the PEA and, in any case, implement measures to prevent sexual exploitation and abuse and gender based violence.

7. In the case of being awarded a Contract, we, as well as all members of our Joint Venture partners and Subcontractors under the Contract will, (i) upon request, provide information relating to the Tender Process and the performance of the Contract and (ii) permit the PEA and KfW or an agent appointed by either of them, and in the case of

⁸ In case ILO conventions have not been fully ratified or implemented by the Employer's country, the Applicant/Bidder/Contractor shall, to the satisfaction of the Employer and KfW, propose and implement appropriate measures in the spirit of said ILO conventions with respect to a) workers grievances on working conditions and terms of employment, b) child labour, c) forced labour, d) worker's organisations and e) nondiscrimination.

financing by the European Union also to European institutions having competence under European Union law, to inspect the respective accounts, records and documents, to permit on the spot checks and to ensure access to sites and the respective project.

8. In the case of being awarded a Contract, we, as well as all our Joint Venture partners and Subcontractors under the Contract undertake to preserve above mentioned records and documents in accordance with Applicable Law, but in any case for at least six years from the date of fulfilment or termination of the Contract. Our financial transactions and financial statements shall be subject to auditing procedures in accordance with Applicable Law. Furthermore, we accept that our data (including personal data) generated in connection with the preparation and implementation of the Tender Process and the performance of the Contract are stored and processed according to the Applicable Law by the PEA and KfW.
